

Victorian Notice to Mariners

The following Notice to Mariners is published for general information.

Australia – Victoria

No. 006 (T) of 2025

EAST BASS STRAIT – SEASPRAY & GIFFARD OFFSHORE GEOPHYSICAL SURVEY OPERATIONS

Date: 5 JANUARY 2025 TO 14 MARCH 2025

Details: Mariners are advised of offshore geophysical survey operations to be undertaken by Reach Subsea Pty Ltd for the planned Aurora Green Offshore Wind Farm Project, off the coast of Gippsland, between Seaspray and Giffard in State and Commonwealth waters. The offshore survey operations will be completed over 70 operational days on a 24-hour basis between 5 January and 14 March 2025.

MV Offshore Surveyor (34m) will be engaged in the offshore survey activities and will be towing survey equipment up to 200m behind the vessel. Survey speed is 4 knots. Vessel maneuverability will be limited when conducting operations. The Offshore Surveyor will display restricted in its ability to manoeuvre markings and will be monitoring VHF Channel 16. Vessel Call Sign is 6YVC8.

Mariners are asked to be aware of the operational area during this period and remain clear of the operational area. Divers are requested to maintain a distance of 500m from vessel operations.

Table 1: Coordinates of the survey area in Victorian coastal waters within 3NM:

| Point | Latitude | Longitude |
|-------|---------------------|--------------------|
| 6 | 147° 10' 12.6521" E | 38° 27' 33.8332" S |
| 7 | 147° 14' 49.7958" E | 38° 23' 53.2755" S |

Figure 1: Points 6 and 7 survey area within 3NM

Table 2 and Figure 2 (over page) show the location and extent of the Reach Subsea Aurora Green Offshore Wind Farm Project within State and Commonwealth waters.

AUS Charts and Publications Affected: AUS 357, AU439147

Victorian Charts and publications affected: Nil
